

*Empower a Youth in India to Realize Their University Ambitions  
& Change the Course of Their Life!*

## **K. Guna**

### ***Computer Science***

Guna is currently in 12<sup>th</sup> grade. Despite her ambition and her focus on her studies, she will have to forego university if she does not receive outside support. Guna's father was in a terrible accident five years ago, which caused significant damage to his leg and left him unable to work. He receives financial support from the government for his disability, but the money rarely goes toward meeting the family's expenses. Guna's mother is a hard worker and is very dedicated to her family. As a day laborer, her earnings are meager and inconsistent. Guna has three sisters, including one older sister who is currently studying to be a nurse.

Guna has attended one of our after-school Visions Learning and Empowerment Centers for years. She has developed her leadership skills and has a plan for her future. She wants to be a software professional. Her overwhelmed mother has asked Guna to stay home to care for her younger sisters. Guna wants to support her mother, but to her, the better solution would be to get a job and relieve the family's financial situation rather than see her mom work longer hours. With Visions' support, she could one day do just that!

## **For just \$30/month, you can make Guna's university dreams a reality!**

Guna has been selected to join the next batch of Visions university scholars for 2022. Under this initiative, Guna is eligible for financial support to cover her university fees and related expenses, and will receive regular mentorship & counseling, leadership development training, English training, and more. Over the past 6 years, we have sponsored 75 talented youth in India through this initiative, which has enabled recipients to stay in school and manifest their dreams. And thirty (30) of these youth have already graduated and joined the workforce! Please join us by setting up a recurring contribution of just \$30/month or annual sponsorship of \$360, and we will keep you informed of your sponsored student's progress over the next year!
