

*Empower a Youth in India to Realize Their University Ambitions
& Change the Course of Their Life!*

P. Muthulakshmi

Beautician Course

Muthulakshmi is currently in 12th grade and lives with her parents and grandmother in a rented house. Her parents' meager earnings barely cover the family's daily expenses, and they often struggle to pay the rent. Her father does not work, and her mother's work as a day laborer is very unpredictable. Her brother though was able to attend university earlier where he earned a degree in Engineering.

Muthulakshmi's has a passion and a talent for makeup and fashion. She knows that she would make a great beautician. She would find personal and financial gratification in this career path. She is hoping that, with Visions' support, she will be able to attend a beautician training course.

**For just \$30/month, you can make
Muthulakshmi's university dreams a
reality!**

Muthulakshmi has been selected to join the next batch of Visions university scholars for 2022. Under this initiative, Muthulakshmi is eligible for financial support to cover her university fees and related expenses, and will receive regular mentorship & counseling, leadership development training, English training, and more. Over the past 6 years, we have sponsored 75 talented youth in India through this initiative, which has enabled recipients to stay in school and manifest their dreams. And thirty (30) of these youth have already graduated and joined the workforce! Please join us by setting up a recurring contribution of just \$30/month or annual sponsorship of \$360, and we will keep you informed of your sponsored student's progress over the next year!
