

## About

Visions Global Empowerment - India ("Visions India") is an independent nonprofit organization incorporated under the Trust Act of India (Registration # 65/16) and the Foreign Contribution Regulation Act (FCRA # 076040441).

## Vision

Education, Leadership, Technology, Health & Hygiene for ALL.

## Mission

To enable social change through education, technology, leadership and health for youth and communities affected by poverty, disability, and other hardship; and to promote thoughtful and sustainable community development that promotes the wellbeing of all persons and leads to a thriving and robust civil society.

Shylet Moni

# SUPPORT OUR WORK - FUND A NEED!

## University Scholarships

The Visions University Scholars Program, launched in 2015, offers holistic support services to high-achieving rural youth during their transition to higher education or the working world.

**The cost of supporting one student is \$360/year (or just \$30/month) + \$250 one time purchase of a tablet.**

## After-School Programs

The Visions Learning and Empowerment Program (also referred to as our "after-school program") is a multi-dimensional program that provides vital after-school support intended to foster the overall development of children and youth aged between 6 to 18. We currently have 22 centers serving nearly 900 youth.

**The cost of sponsoring a center is \$1,200/year (or just \$100/month).**

## Blue Brick School

Support marginalized children globally with e-learning resources. Sponsor a tablet computer for \$250 each and help 5 young children learn English and Tamil literacy through Blue Brick School ([www.BlueBrickSchool.org](http://www.BlueBrickSchool.org)).

**The one-time cost of one (1) tablet is \$250.**

## Menstrual Hygiene

Visions Adolescent Girls Associations promotes awareness of adolescent girls' rights, health, and hygiene, and provides reusable sanitary napkins and education on menstrual and reproductive health.

**The one-time cost of three (3) reusable sanitary napkins is \$10.**

## Sanitary Needs

Empower a rural family, particularly elders and girls, by sponsoring the construction of a toilet for \$350. Your support will provide them with improved sanitation facilities and enhance their overall health and well-being.

**The one-time cost of one (1) toilet with installation is \$350.**
